FIELD USE RULES & REGULATIONS

Fields are not to be used when standing pools of water are present. No attempt is to be made by field users to make the field playable when standing pools of water are present, nor is any work to be performed on a field without the consent of SMPRD. If you fail to adhere to this policy your organization will be charged a fee to repair any damage caused to the field by your group.

SMPRD reserves the right to shut down the field use at any time, including immediately before a scheduled use, due to weather conditions, so as to prevent damage to the field(s) or perceived danger to users. SMPRD's decision is final.

It is the responsibility of the field user to insure that any trash or debris created by or deposited by your group is properly disposed of prior to leaving the field. Failure to do so could result in the loss of future field use privileges.

Any persons using SMPRD facilities do so at their own risk, assuming any and all such risks involved in use of the facility or as a spectator, including any and all risks arising from the condition of the fields at the time of use.

All alcoholic beverages and all tobacco products are prohibited at all SMPRD fields and on all SMPRD property, in general.

All users are to exercise good sportsmanship and set examples for youth and other users. Failure to exercise good sportsmanship, including use of foul or obscene language, may result in a loss of future field use privileges.

Absolutely no animals are allowed on the playing field at any time. Dogs must be on leash at all times in the spectator area or on SMPRD property.

All fields and parking lots close at 11:00 p.m. Anyone on the fields, parking lots or other SMPRD property after that time without the express permission of SMPRD personnel, will be considered a trespasser and may be removed and prosecuted for trespass.

All field users are required to advise members of their user group and any spectators of these Rules, copies of which have been made available or are available from the SMPRD office. Copies are also generally posted at SMPRD facilities.
